

WDP FINES VICTORIA

Hope City Mission is an approved Work and Development Sponsor of Fines Victoria

The WDP scheme provides vulnerable and disadvantaged people with a non-financial option to address their fine debt.

This program allows an eligible person to work off their fine debt by enrolling in Hope City Mission's Online Learning Portal. Participants complete educational courses on topics such as financial literacy and life skills. In some cases, participants can volunteer at Hope City Mission to work off their fine debt.
