Our First Annual Tea Dance for Bear Valley Springs

Our Bear Valley Springs Vintage Dance and Tea Society (a newly recognized club) had its first annual Spring Tea Dance, and it was beautiful!
We invited the BVS community to high tea and watch a performance of English Country Dancing, and some even participated. The dancers practiced for several weeks for their dance performances, and it was a lot of fun to have outside folks join us in a dance. Everyone had a wonderful time!
Pamela Spitzer is incredibly skilled at making these teas look spectacular! She knows all the intricacies of high tea and promised that at our next event she will do a tea talk and educate us on high tea.
If you're interested in joining the tea time group or the vintage dance group, make sure to join our individual Facebook groups so you can get the dates and times for each of the upcoming events.
Tea Time in Bear Valley Springs for the tea group, which does monthly events, and BVS Vintage Dance and Tea Society group for dance practice times and locations. English Country dance is such a unique and fun way to exercise both your mind and your body at the same time, not many things out there can accomplish that.
If you have any other questions, you can email us at BVSVintageDanceClub@gmail.com

BVS Wildlife Coalition

The mission of the Bear Valley Wildlife Coalition is to promote a community that lives in harmony with nature by protecting and preserving BVS wildlife and their habitat. You can join our Facebook page, become a dues-paying member of the Club or join our email list by contacting us at BVSWildlifeCoalition@gmail.com.

The BVS WIldlife Coalition is excited to host The Nature Conservancy on April 22, 2022, as they discuss the Randall Preserve, Bear Mountain, and their importance to BVS wildlife. A wonderful way to celebrate Earth Day!

Bear Valley Springs Astronomy Club

The BVSAC was formed to bring together people interested in enjoying the beautiful night skies of our valley. The Club is open to people at every level – from complete beginners to astronomy professionals. We have regular meetings, star parties and numerous public events throughout the year. We also want to educate our residents about the advantages of keeping our skies naturally dark.

INTERNATIONAL DARK SKY HOUR! Please turn off any unnecessary outdoor lightning on **April 30th, from 9-10pm** and LOOK UP! It will be dark Moon time, so the Milky Way should be visible. We are fortunate to live in a place where it's still dark enough to see the beautiful nighttime skies. Let's all go out and shout "oooh!" at 9pm!

Our next MEETING is May 2nd at 6:30pm at the Equestrian Center Lounge. Our invited lecturer Dr. Steve Howell is an astrophysicist at the NASA Ames Research Center where he served as project scientist for NASA's premier exoplanet finding missions Kepler and K2 that have discovered the majority of the over 5000 known planets orbiting stars other than our Sun. The presentation is titled "**Exoplanets, Transits, and the Search for Extra-Terrestrial Life**". This will be a great lecture!!

TELESCOPE CLINIC! Our next Public Star Party will be a Telescope Clinic on Saturday, **May 7th** from 6-9pm at the Cub Lake basketball court, weather permitting. Everyone bring that telescope sitting in your closet, we can help you figure out how to use it, see if it needs repair or alignment, etc!

Interested? Contact Interim President Claude Plymate (info@bvsac.com). We also have a Facebook page, Bear Valley Springs Astronomy Club where we will post our events. Web page coming!

4TH OF JULY!

The 4th of July Celebration will be here before you know it!
In order to continue with many of our beloved, reoccurring events, we need some help! All the events are well-established and need someone to organize the logistics. Unfortunately,we have lost most of our former July 4th volunteers due to retirement or family obligations. Because of this, we need new community members to step up and chair the Parade, and we need other volunteers to run or help run The Kayak and Paddleboard Races, and the Boat Parade. The past administrators are here to assist and advise up to the time of the event. Please consider serving your community in this way, as we desperately need your skills.

We are meeting in March to begin planning this year's 3 day event. If you are willing to assist with any of our event or to assist in any way; such as serving in a booth, please call the Whiting Center with your contact information.

Everyone needs to mark their calendars for the Saturday, the 2nd through Monday the 4th of July for our big Community Celebration! This is the place to be for the best hometown 4th ever! Just so you all know, we start taking reservations for the Craft booths, all the races and the Balloon Flights starting on the 1st of May at the WC.

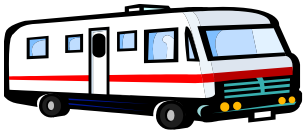
SPORTSMAN'S CLUB



The Air and Pellet gun shoot on Saturday was a great success with ten shooters taking part in the destruction of different reactive and frangible targets. The degree of difficulty of the various targets ranged from easy to very tricky! So everyone involved had a good time. If we had one disappointment, it was that we did not see any families bringing their children to enjoy the event.
We have several events scheduled for the near future. Some of these are for members only such as the "Day at the Races" for the Kentucky Derby, and a Progressive Dinner whilst others will be open to all Valley residents such as our Chili Cook-Off, details of which will be published nearer the date of the event.
If you are interested in finding out more about the Sportsman's Club, just email Will Handley (email address above) or come along to our Monthly Meeting at 6pm on the 4th Thursday of each month at the Garden Room at the Oak Tree Saloon. The next meeting will be on May 19th or you will find a gathering of Sportsman's Club members at the Friday Happy Hour in the Saloon every week.

The BVS Tailwaggers Dog Club Mission Statement

The BVS Tailwaggers Dog Club is dedicated to responsible dog ownership/guardianship. We are a body of people who care about their dogs and want to be with like-minded responsible people who feel the same. We are committed to sharing and learning. The club will provide experiences through education, training, fun events, and social activities. It is designed to improve handler skills and be an information center for owners presenting issues and subjects based on our members' needs. The club will provide support for local rescues in Kern County. Tailwaggers is open to any BVSA resident in good standing and BVSA renters with amenity privileges.

Your dog is your partner, your friend, your defender. You are your dog's life, love and leader. Your dog will be yours, faithful and true, to the end. You owe it to your dog to be worthy of such devotion.

Must be 18 to play. Proceeds go to fund Veteran activities and Veteran's welfare. Snacks, soft drinks and water are available for small donations. The attendance at recent BINGO games has been great, there are cash prizes for each game. "The more who play, the more we pay"

The Bear Valley Springs Veterans assisted Debbie Papac and the Whiting Center crew with a fun filled " Easter Family BINGO" event held the evening of April 12. The attendance was great, the players filled up every available table & chair ! There were 130 plus players, and both the adults and children had a wonderful time.

The next BV Veterans regular BINGO games will be held the first Saturday of May, the 7th, in the Whiting Center gym. The number of players attending has been increasing, so bring your friends, neighbors and family to this fun filled event. We start welcoming players at noon, the games begin at 1 pm.

Membership is open to all BVS veterans who served honorably in any branch of service. Your DD214 is all that is required. Contact any of the officers below for further information.
