Giving Feedback

Create a culture of feedback in your business and boost the ability and confidence of your people.

OVERVIEW

This programme will provide you with the knowledge and skills to feel more comfortable and confident when giving and receiving feedback.

You will explore the true purpose of feedback and define some golden rules, before applying them to a structured process and practising your delivery in a safe and supportive environment.

On this programme you will learn how to:

- Understand the principles of giving effective feedback
- Find a framework or model that works for you
- Understand the value of being non judgemental and building trust
- Learn how to receive feedback and how to ask for it
- Practice giving and receiving feedback

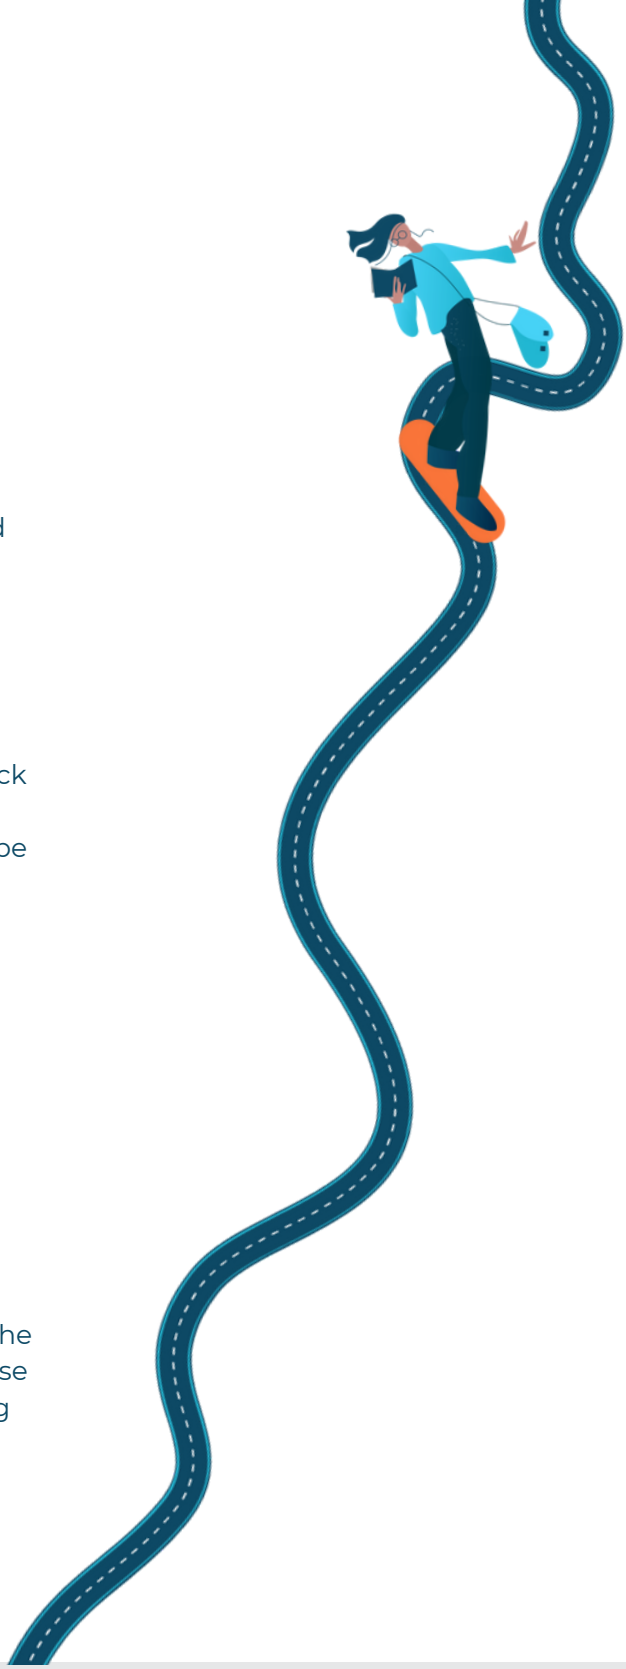
LEARNING JOURNEY



STAGE 1
WELCOME TO GIVING FEEDBACK

The journey starts with a quick welcome session that outlines the structure of the programme. Participants work with digital content to understand the conditions needed in order to create an environment where effective feedback can thrive.

STAGE 2
DIGITAL LEARNING

By understanding the process that all feedback models follow, participants search for and choose an optimum that suits them and will be used for their practise.

STAGE 3
SKILLS PRACTISE

Focusing on what they can influence within their workplace, participants explore the mindset needed to give and receive effective feedback.

STAGE 4
121 PRACTISE INTERVIEW with an actor

As with all of our programmes, practise is at the heart of everything we do. Participants practise the art of giving and receiving feedback using a real life situation.

FEES
