**CLOSER LOOK - Week 2 | Unknown God**

**July 12th, 2020**

**SUMMARY:** We follow Paul's journey as he goes to Athens, a city known for statues and idols to false gods. In **Acts 17** we see how Paul noticed a statue they had to an "unknown god" as if the people of Athens were covering their bases, just in case they missed a god out there. Paul used this to share the truth of Jesus with the people.

**BOTTOM LINE:** You can help others know Jesus. Regardless of how old someone is, if they have a relationship with Jesus, they can help others know Him too. We want kids to realize the simple ways they can share Jesus with others. From inviting them to church to being kind and sharing their toys, kids can play a huge role in helping their friends start a relationship with God.
