

FIELD TRIPS

Immerse your class in the aquatic wonders of the gulf and beyond with a field trip to Mississippi Aquarium. Choose from either a self-guided exploration or book one of our instructor-led programs aligned with our state's science standards. Our instructor-led field trips include classroom instruction as well as tours of the Aquarium with our education staff.

Complimentary admission for two teachers per classroom

Only teachers and students are allowed in classrooms

Boxed lunches available for purchase with advanced notification

Personalized t-shirts with your school name are available for pre-purchase

- Visit msaquarium.org for design options
- Orders are due 3 weeks prior to arrival

All payments are non-refundable. Refunds will not be given for no-shows or cancellations

We accept PO's, school checks and credit cards

Payment is due 14 days prior to field trips
