

# The Power of WOMEN HELPING WOMEN

Throughout her life, **Mary Kay Ash** showed others how to live.

And how to **give**. She gave hope to women who lacked opportunity and self-esteem, and she gave financial support to the causes she believed in. Mary Kay Ash believed in the power of **women working together** to help others. You can be part of her **legacy of love** today!

**Your gift to The Mary Kay Foundation<sup>SM</sup> supports:**

- Research dedicated to finding cures for **cancers affecting women**. We support top medical scientists who are searching for a cure for breast, uterine, cervical and ovarian cancers.
- Programs committed to **ending domestic violence**. We provide grants to women's shelters and supporting community outreach programs.
