THE MARY KAY  
FOUNDATION<sup>SM</sup>

## Proceeds benefit The Mary Kay Foundation<sup>SM</sup>

The Mary Kay Foundation<sup>SM</sup> began in 1996. The mission of the Foundation is two-fold: eliminating cancers affecting women by supporting top medical scientists who are searching for a cure for breast, uterine, cervical and ovarian cancers, and ending the epidemic of domestic violence by providing grants to women's shelters and supporting community outreach programs. Since the Foundation began, it has awarded nearly \$37.6 million to shelters and programs addressing domestic violence prevention and more than \$21.7 million to cancer researchers and related causes throughout the United States.
