

**Welcome to  
betahaus!**

Our betahaus app is your all-in-one access to to the space. You can download the app using the QR codes below or search for “betahaus” in the App Store or Google Play Store.

**Android & IOS**

Scan this QR code to open the download page on your phone.

**How to Use  
the App**

1. Open the app and log in with your Cobot credentials.
2. Enable Bluetooth and Location Services. The app will detect nearby access doors you have permission to open!
3. Use the app to unlock the access doors and open meeting rooms!

**Troubleshooting  
Instructions**

Trouble getting in? Try the following:

- Make sure your Bluetooth and Location is on
- Restart the app
- Make sure you update to the latest version of the app using the QR codes on the page above.
- Try deleting and reinstalling the app

If you're still having trouble getting in, please send a Slack message to @Front Desk, and we will try to solve it as soon as possible!
