

betahaus | Protection and Hygiene Concept

To prevent the further spread of COVID-19 and help keep our community safe, we are committed to the following protections and hygiene rules.

Before we get started, our contact person for infection and/or hygiene protection **Peer Warnke** - peer@betahaus.de. Please get in touch if you have any questions or concerns not addressed in this document.

- Keep the minimum distance of 1.5 meters between people.
- If the minimum distance cannot be safely maintained, we recommend the use of face masks.
- We ask for those with confirmed or suspected COVID-19 cases to stay off our premises until they have completed the recommended recovery period.

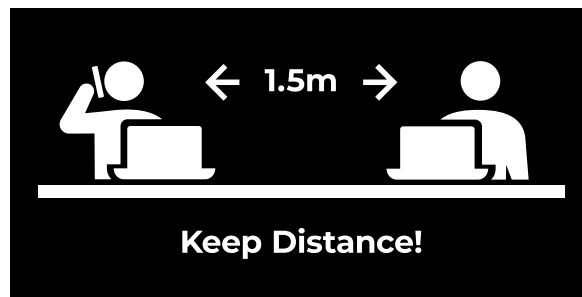

betahaus | Protection and Hygiene Concept

Signage and Spatial Guidance

You'll find signs for distance and hygiene rules...

- On the floor at the main entrances of all coworking and event spaces.
- On the walls near the busiest areas.
- Near or inside the toilets.
- Heads-up! Allowed seating places are marked with a sticker as "safe seat".

Here's how we're checking on compliance...

- seating arrangements that ensure minimum distance
- Participant list from organizers (for external events) or betahaus employees (for own events)
- Visual inspection of the maximum number of visitors at events.

Our Safety Measures in Practice

betahaus | Protection and Hygiene Concept

Masks & Personal Protective Equipment

- It's required that employees and guests wear mouth and nose coverings unless otherwise indicated. We have some extras available to anyone who doesn't provide their own. If you need one, just ask!
- Our partners in high-exposure workspaces (ie. catering) are expected to wear personal protective equipment.
- Sneeze guards are set up in high-frequency areas to minimize risk of transmission.

Prevention and Handling Suspected Cases

- We ask people with suspected or confirmed COVID-19 cases are asked to avoid group gatherings and stay at home until their recovery period has been completed.
- In the event of a confirmed case, we will reference the participant list and ensure that guests of the event are notified.

Other Measurements and Actions

- Instructions for hand washing are posted.
- Disinfectants, hand sanitizer, and hand soap will be available.
- Disposable equipment will be used where possible to reduce risk of transmission.
- Employees are trained in hygiene and prevention.
- Display of signage encouraging social distancing and proper hygiene.
