Arbor Park School District 145 has received communication from Pearson AimsWeb in regards to a data breach involved with their systems. This breach impacted 13,000 school and university accounts. Pearson AimsWeb is a district authorized software program used for student monitoring and assessment.

The data impacted was student’s **First Name** and **Last Name**. No other information was shared with this system. Data including date of birth, ID numbers, and other sensitive information was not entered into this system. Pearson stated that no grade or assessment information was affected in this incident.

Our district takes data security and compliance very seriously and works hard to protect our data. We review all agreements, contracts, and privacy procedures provided by all vendors to ensure they meet our high cybersecurity standards.

We have been informed by Pearson AimsWeb that free credit monitoring is available to all affected parties. If you are interested in free credit monitoring from Experian through Pearson AimsWeb, please contact 1-866-883-3309 for more information.

Sincerely,

David Termunde, M.Ed.
