Sustaining Membership Program

The Challenge

For many years our ticket sales, grants, and donations remained stable. However, in recent years, with our troubled economic conditions, we have seen a steep reduction in our funding resources. In addition, local grant programs are being redefined, while contributions from the private sector and businesses have been declining. We are blessed to own our own facility; however, our historic building requires much tender loving care and monthly utilities and insurance costs are overwhelming. In order to assure the continuation of “Magical Live Theatre” in our community, a continuous income stream is essential.

The Need

Facility needs include monthly utilities, insurance coverage, ongoing repair, replacement, and maintenance, as well as those items and equipment needed to enhance the overall experience for patrons. The *Sustaining Membership Program* is being established to acquire sufficient dollars for overall facility continuity and maintenance.

The Program

As a Sustaining Member, your monthly contribution of \$25 or more will help support the ongoing facility needs of Southside Theatre Guild. Your name will be proudly listed on the Board located in the theatre lobby and in each event Playbill with those of the other Sustaining Members. Your continuing support will ensure that our theatre remains a Showcase for the Performing Arts.

The *Sustaining Membership Program* is a convenient and reliable way to manage your financial support of Southside Theatre Guild through ongoing monthly payments, which are automatically transferred from your bank account or credit card. A record of each monthly contribution will appear on your bank account or card statement.
