

Following guidance from the American Dental Association, we are temporarily closing our offices from March 19th until Monday, April 6th. We will continue to monitor the situation and keep you updated as things change. If you had a scheduled appointment during these 2 weeks, we will be in touch to reschedule. Please note that for the majority of orthodontic treatments, a postponement of follow-up visits will not interfere with the progress and overall treatment.

Although our facilities will be closed, we will still be available by phone and email at 718-625-2299 and info@bkfamilyortho.com I will also be conducting virtual consults throughout this time.

Thank you everyone and please be safe!
