

## EXHIBITIONS 2022

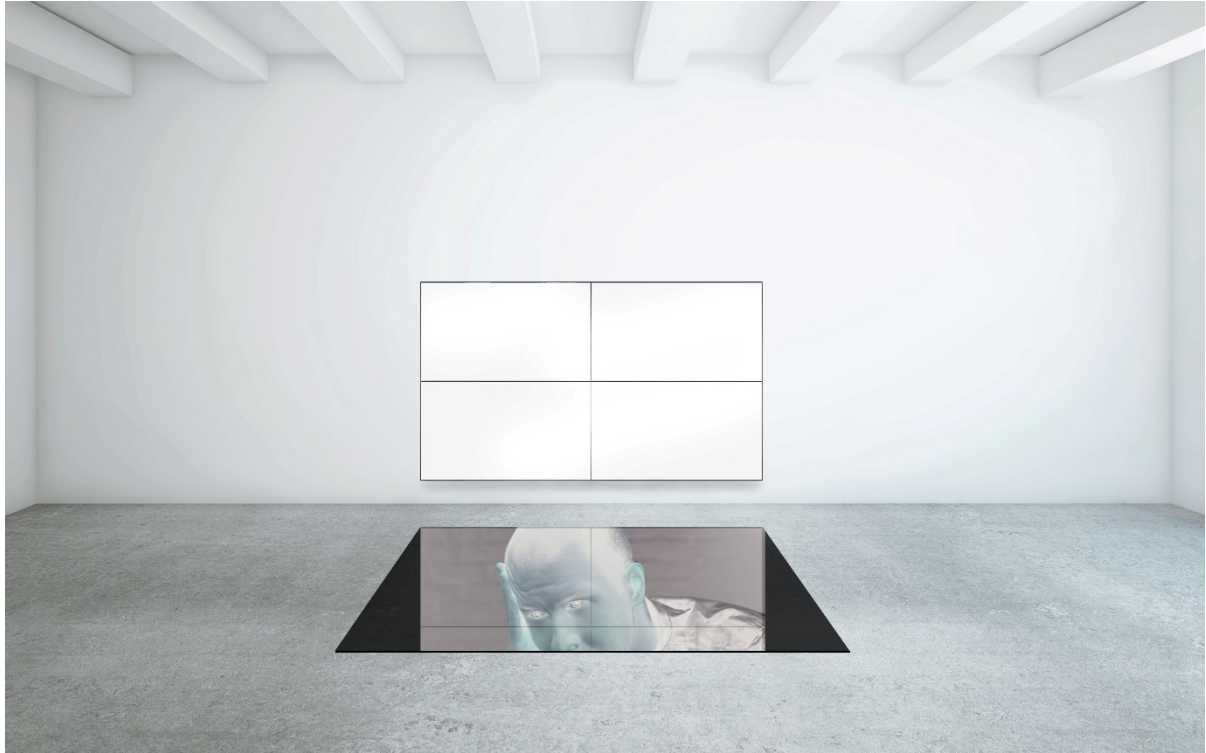

Marc Lee, *Corona TV Bot*, online project, 2020 - ongoing

### Swiss Media Art: Marc Lee, Chloé Delarue, Laurent Güdel – Pax Art Awards 2021 | 12.02. – 24.04.2022

**Opening: 11.02.2022, 7 pm, media conference: Friday, 11.02.2022, 11 am**

The winners of the **Pax Art Awards 2021**, **Marc Lee**, **Chloé Delarue**, **Laurent Güdel**, present their new works. From Marc Lee's recent works examining our relationship with nature, to Chloé Delarue's striking new mixed-media installations from her TAFAA cycle to Laurent Güdel's archaeology of sound and its social dimension, the artists address pressing issues of our time.

## **Emmanuel Van der Auwera: Seeing is Revealing | 14.05. – 07.08.2022**

**Opening: 13.05.2022, media conference: Friday, 13.05.2022, 11 am**

We are excited to present **Emmanuel Van der Auwera's** first solo exhibition in Switzerland. In his video installations and sculptures, the Belgian artist explores how technological developments change the way we see and understand the world. Based on documentary footage from the internet and social media, he develops works that revolve around questions of perception and the construction or deconstruction of images.

## **Earthbound: In Dialogue with Nature | 03.09. – 13.11.2022**

**Opening: 02.09.2022, media conference: Friday, 02.09.2022, 11 am**

This **international group exhibition** features works by **contemporary artists** who address pressing environmental issues, particularly highlighting the complex relationship between human activity and the ecosystem. Their visionary and innovative approaches emphasize the need for dialogue with new forms of interaction and aim to consciously engage in the current societal debate in order to initiate real change.
