We're more than a health insurance plan. For CareSource Bayou Health, it's personal. We're here to help members succeed.

A GROUNDBREAKING PARTNERSHIP

CareSource Bayou Health will offer a unique coverage option that combines CareSource's 30+ years of Medicaid managed health plan experience and strength as a national leader in quality and operational excellence with the local clinical expertise of Texas' largest Federally Qualified Health Center (FQHC), Legacy Community Health.

This collaboration allows CareSource Bayou Health to improve the health of Texans by leveraging local physician experience. Their insight will inform decision-making, align incentives, allow for more effective data usage, and reduce friction between the delivery and financing of health care.
