

Our First steps...

1. What size book do you think would work best for you?
is it a Novel/Non Fiction?
Workbook?
Children's Book?

2. What thickness paper?
Do you have a lot of illustrations, photos or is it text heavy?
Do you mind "ghosting"?

3. White paper or cream colored paper?

Color Pages

Do you have interior color pages? Yes No

If so, how important is it that you have the cleanest/cripsest images?

I am not overly concerned about the photo quality

My book is centered around the photos/illustrations. The color quality is vitally important to me.
