

MEET OUR NEW PHYSICIANS

Jason A. Boyd, M.D., Orthopaedic Surgery

Dr. Boyd has joined Dr. Lee Simon and Dr. Dominic Peters at Salem Orthopaedic Surgery. With fellowship training in Orthopaedic Sports Medicine and experience caring for professional football players and college athletes, Dr. Boyd offers patients advanced treatments for a wide range of orthopaedic injuries and conditions. His special interests include sports medicine, ACL reconstruction, rotator cuff repair, shoulder arthroscopy, shoulder replacement, knee arthroscopy and fracture care.

Education and Fellowship Training: A graduate of The University of Akron, Dr. Boyd received his Doctor of Medicine from the Northeast Ohio Medical University. He went on to complete his Orthopaedic residency training at Summa Health System, followed by fellowship training in Orthopaedic Sports Medicine at Emory University in Atlanta, where he served as associate team orthopaedic surgeon to the **Atlanta Falcons** and **Georgia Tech Yellow Jackets**.

Practice: Salem Orthopaedic Surgery, 1995 East State Street in Salem, 330-332-7840

Atlanta Falcons' Team Physicians

Elaine Chung Boyd, M.D., Family Medicine

Dr. Boyd is seeing patients at the Columbiana Family Care Center, where she joins Dr. Vidya Counto in caring for patients in all stages of life. The services she provides include preventative and wellness care, sick visits, chronic disease management and health education. Dr. Boyd also has a special interest in women's health care and contraceptive counseling, including Nexplanon® placement and removal, and performs minor procedures and joint injections.

Education and Experience: A graduate of Youngstown State University, Dr. Boyd received her Doctor of Medicine from the Northeast Ohio Medical University. She then completed her residency training in Family Medicine at Summa Akron City Hospital. Prior to joining the Columbiana Family Care Center, Dr. Boyd was a Family Medicine physician with University Hospitals Portage Family Medicine in Streetsboro. She is board-certified by the American Board of Family Medicine.

Practice: Columbiana Family Care Center, 116 Carriage Drive at Firestone Farms TownCenter in Columbiana, 330-482-3871

Anna Orlando, D.O., Internal Medicine

As an internal medicine physician, Dr. Orlando specializes in providing care that is tailored to the unique needs of adults ages 18 and older. She has joined Dr. Maria Ryhal at SRMC Primary Care in Lisbon to offer a full range of services, from the diagnosis and treatment of acute and chronic illnesses to well visits. Dr. Orlando also helps patients take an active role in their health through preventative care, routine screenings, disease management and health education.

Education and Experience: After graduating from The University of Akron, Dr. Orlando received her Doctor of Osteopathic Medicine from the Edward Via College of Osteopathic Medicine in Blacksburg, Virginia. She then completed her residency training in Internal Medicine at University Hospitals – St. John Medical Center in Westlake, Ohio.

Practice: SRMC Primary Care in Lisbon, 38506 Saltwell Road, 330-424-1404

SRMC Faces

NEW DEPARTMENT HEADS

Sue Agostinelli
Information Services

Sue has assumed leadership of SRMC's Information Services department after serving as the Assistant Director for the past 20 years. A graduate of Youngstown State University, Sue holds a Bachelor of Science in Applied Science with a major in Computer Technology.

Debbie Mesmer, RTR (CT)
Medical Imaging

Throughout her 29-year career at SRMC, Debbie has held various positions in Medical Imaging, most recently as the department's Operational Supervisor. She earned her Associate in Applied Science of Radiologic Technology from Kent State University at Salem.

Mike Santillo
Public Relations/Marketing

Mike comes to SRMC from Steward Health Care, where he served as the marketing manager for Trumbull Regional Medical Center and Hillside Rehabilitation Hospital. His role was to create community awareness, lead website and social media efforts, and work with the media to cover hospital news and events.
