 **SALEM REGIONAL  
MEDICAL CENTER**

SUMMER 2021

**NOW OPEN:  
7 Days/Week  
in Columbiana**

SRMC Immediate Care opened in June at Firestone Farms TownCenter in Columbiana. Those with non-emergent illnesses and injuries can walk-in to SRMC Immediate Care with no appointment, seven days a week.

"Salem Regional Medical Center is now providing immediate care services in Columbiana as a convenient alternative when you become sick or injured, but can't wait for an appointment with your regular doctor," said Dr. Anita Hackstedde, SRMC President/CEO. "SRMC Immediate Care is a lower cost option for those with medical problems who need treatment right away, but are not considered true emergencies."

Immediate care services are provided to patients who are age 5 years and older. SRMC Immediate Care is open seven days a week, excluding major holidays.

#### **SRMC IMMEDIATE CARE HOURS:**

**Monday-Friday**      **9 a.m. – 7 p.m.**  
**Saturday & Sunday**      **8 a.m. – 2 p.m.**

No emergency department services are available at this location.

#### **Awarded Cancer Care Accreditation**

The University Hospitals Seidman Cancer Center at Salem Regional Medical Center (SRMC) has been awarded three-year accreditation by the Commission on Cancer.

This accreditation is given only to those facilities that demonstrate continued excellence in diagnosing, treating and supporting patients with cancer and their families. In order to earn the voluntary accreditation, SRMC's cancer program met 34 national quality care standards following a rigorous evaluation and performance review.

"Our goal is to provide the highest level of cancer care locally, so that our patients can remain in their home communities and receive support and encouragement from their families and friends, without having to travel a great distance to receive world-class cancer care," said Dr. Hackstedde.
