Using this Directory

At Salem Regional Medical Center (SRMC), health care decisions are driven by experienced doctors, who support our mission by providing high-quality medical care and excellent service to our patients. We are proud to present our affiliation with a medical staff of over 130 primary care physicians and specialists, whose offices are conveniently located throughout our region. It should be noted that many physicians, who render professional services to you, are independent practitioners and are not employees of the Hospital.

Please use this directory for a listing of our affiliated medical staff members as of January 1, 2022. To access the most current listing of physicians by specialty, please visit: www.salemregional.com/find-a-doctor. If you need additional assistance finding a doctor, please call SRMC's Medical Staff Office at 330-332-7213. For your convenience, an alphabetical listing of physicians by specialty is included in the back of this directory, along with other frequently used telephone numbers.

To access our complete listing of telephone numbers by department, please visit: www.salemregional.com/patient-visitor-info/phone-directory. To learn more about SRMC's full range of services, please visit: www.salemregional.com/services.

Find a Physician by Medical Specialty

When it comes to your health, choosing a physician is an important decision. SRMC offers an integrated approach toward patient-centered care through affiliated primary care and specialty physicians, who lead our team of dedicated health care professionals in providing medical care.
