SRMC'S Wound Healing Center named Center of Distinction

Salem, Ohio--- (July 31, 2020) – Salem Regional Medical Center's (SRMC) Wound Healing Center has earned the highly-acclaimed Center of Distinction award by Healogics, the United States' largest provider of wound care services.

This marks the seventh time in the past eight years the WHC has been named a Center of Distinction, for demonstrating continued clinical excellence in wound healing and superior patient satisfaction rates.

Over a 12-month period, SRMC's Wound Healing Center recorded 94% patient satisfaction, a minimum healing rate of at least 92% and a median healing time of 21 days, spanning over 2,700 total encounters.

SRMC's Wound Healing Center offers hyperbaric oxygen (HBO) therapy and other leading edge treatments for hard to heal wounds, which include diabetic, venous/arterial and pressure ulcers; osteomyelitis; radionecrosis; infections; compromised skin grafts and flaps; insect bites; thermal burns; and wounds that have not healed in 30 days.

Enhanced Safety Precautions

SRMC is taking enhanced precautions to ensure the health and safety of staff and patients during their visit. These measures include a reconfigured waiting area and scheduling that promotes social distancing, in addition to frequent sanitization of chairs, exam tables and patient care areas. Patients are asked to wear a mask to help maintain the health and safety of all patients and caregivers. Individuals who do not have a cloth mask will be given one upon entry that they will then return upon exit from the office.
