Salem Regional Medical Center Welcomes New Family Medicine Physician

**Steven Swain,
M.D., FAAFP**

SALEM, OH (8/28/20) --- As the Salem Regional Medical Center (SRMC) primary care physician network continues to grow, SRMC is announcing the addition of Board Certified Family Medicine physician, Steven Swain, M.D., FAAFP, to its medical staff.

Practice Locations – Salem & Damascus

As of August 31, 2020 Dr. Swain will practice at two SRMC Primary Care locations in Salem and Damascus.

- Salem - Dr. Swain is joining Dr. Stephanie Raynish at SRMC Primary Care, 2020 East State St., Suite C, Salem, Ohio, 330-332-7807.
- Damascus - Dr. Swain is joining Gabrielle Dickerhoof, MSN, APRN, CN-P at SRMC Primary Care, 28885 State Route 62, Damascus, Ohio, 330-446-4096.

Education and Training

Board Certified in Family Medicine, Dr. Swain provides a full range of health care services for patients of all ages, including annual physical exams, preventative and wellness care, sick visits for acute illnesses, chronic disease management, immunizations, and health education and counseling.

An experienced Family Medicine physician, Dr. Swain has been in private practice in the Mahoning Valley for over 15 years prior to joining the SRMC medical staff. In addition to seeing patients, Dr. Swain has enjoyed several years teaching residents and medical students. He earned his B.S. degree in Combined Science from Youngstown State University, followed by a medical degree from Northeast Ohio Medical University. He then completed his residency training in family medicine at Western Reserve Health Education Family Medicine (Forum Health Northside Hospital).

“I am excited about getting to know the residents of Salem and Damascus and helping them live better, healthier lives. Throughout my career, I’ve enjoyed working with my patients to help them reach their highest level of health, no matter what their stage is in life,” said Dr. Swain. “Modern medicine is about much more than helping patients manage their current medical conditions, it’s about creating a lifestyle that promotes whole health and disease prevention.”

Dr. Swain’s passion for medicine goes well beyond the walls of the hospital. He has completed many medical mission trips to Haiti, Dominican Republic and Africa, where Dr. Swain has had the opportunity

to understand global health and wellness, had the privilege of working in free clinics and also work alongside U.S. and international medical professionals to create a depth of knowledge and wisdom he brings to his practice stateside.

Dr. Swain is currently accepting new patients at both locations, Salem and Damascus. For more information or to schedule an appointment, contact SRMC Primary Care – Damascus at 330-446-4096. Walk-in appointments are also available during regular office hours at the Damascus office, located at 28885 State Route 62.
