

Columbiana Family Care Center Offers Flu & Respiratory Clinic For Immediate Release

SALEM, OH (November 17, 2020) -Salem Regional Medical Center is announcing that the Columbiana Family Care Center (CFCC) at Firestone Farms will now provide a clinic for patients with flu and respiratory symptoms. Patients will be seen in the new Flu and Respiratory Care Clinic for evaluation and treatment by a CFCC primary care provider. Flu and/or Covid-19 testing may be provided through the clinic, depending upon the findings during the patient's visit.

How to Schedule: Patients can call 330-482-3871 to schedule an appointment at the Flu and Respiratory Care Clinic or they may walk in to the clinic between 8 a.m. - 4 p.m., Monday- Friday. A separate entrance, waiting room and examination area for the clinic has been set apart from the patient care areas at the CFCC office.

Financial Assistance: Services at the Flu & Respiratory Care Clinic will be provided to patients of any age. Those who have health insurance should bring their insurance card with them to the clinic. If a person doesn't have insurance, he or she should bring a driver's license or proof of identity. Financial assistance is available for those who qualify.

For More Information: Contact the Columbiana Family Care Center at (330) 482-3871 to learn more about the new Flu and Respiratory Care Clinic. The CFCC is located at 116 Carriage Drive, TownCenter at Firestone Farms in Columbiana, at the corner of State Routes 7 and 14.
