

FOR IMMEDIATE RELEASE

SRMC Foundation Gala Rescheduled for October 30, 2021

SALEM, OH (January 25, 2021) - The Salem Regional Medical Center (SRMC) Foundation has announced that its annual Gala, has been rescheduled for October 30, 2021. Last spring, the 2020 Gala was due to the impact of the COVID-19 pandemic and Ohio's mandate prohibiting large gatherings.

The event's keynote speaker, 9/11 survivor and retired New York City Fire Department Lieutenant Joe Torillo, will remain the same. The 2021 Gala will also take place at its originally scheduled location, Waypoint 4180 in Canfield.

All previously sold 2020 sponsorships, tables and individual tickets will be honored at the October 30th event. If needed, refunds may be requested through the SRMC Development office until February 19, by calling 330-337-2883. A limited number of new event sponsorships, tables and ticket opportunities will be available for purchase in early August.

For more information, call Amy Reed, SRMC Director of Development, at 330-337-2883.
