**Salem Regional Medical Center Welcomes New Gastroenterologists**

---SALEM, OH (April 6, 2021) --- Salem Regional Medical Center (SRMC) has welcomed six new gastroenterologists to its medical staff in March 2021.

Gastroenterologists Adel I. Youssef, M.D., F.A.C.G.; Kevin L. Castillo, D.O., M.S.; Thomas R. Geisler, D.O.; Victor B. Lossev, M.D.; Zev R. Maycon, M.D.; and Milan Dodig, M.D., have joined long-time physician William Z. Kolozsi, M.D., at SRMC's Gastroenterology Center to expand advanced care for digestive health within the region.

The Gastroenterology Center's team of highly-skilled gastroenterologists and medical professionals offers a full range of services to assist in the diagnosis and treatment of diseases of the digestive system, including the liver, bile duct, gall bladder, pancreas, stomach and intestines. Services performed include colonoscopies, endoscopies, colon polyp removal and colon cancer screening.

The Gastroenterology Center is an affiliated practice of SRMC located at 2094 East State Street, Suite B, in Salem. Telehealth virtual visits are also available.

For more information or to schedule an appointment, call the Gastroenterology Center at 330-337-8709.
