Current Practice of Interventional Radiology

Malay Mody, MD

eeds: 72CODE
Procedure Categories

• Venous Access
• Dialysis
• Angiography
• IVC Filtration
• Thrombolysis
• Embolization
• Renal
• Biliary
• Gastrostomy
• Spine
• CT Biopsy and Drainage
• TIPS
• Other
Pre Procedure

- Relevant Imaging
- H and P
- Consent
- NPO Status
- PT/INR/Platelets
- GFR/Contrast allergy
- Order in EPIC (XA Special Procedures, CT or US)
- Nights and weekends: page the IR
PICC Line
Implanted Chest Port
Chest Port
Arm Port
Tunneled Dialysis Catheter
Internal Jugular Vein Dialysis Catheter
Translumbar IVC Dialysis Catheter
Transhepatic Dialysis Catheter
Fistulogram - Angioplasty
Fistulogram - Angioplasty
Fistulogram – Covered Stents
Fistulogram – Long Covered Stent
Dialysis Graft Declot
Dialysis Graft Declot
Dialysis Fistula – Covered Stent and Collateral Coil Embolization
Dialysis Fistula – Covered Stent and Collateral Coil Embolization
Extremity Angiography
Pulmonary Angiography
SVC and Pulmonary Thrombolysis
Cerebral Angiography
Carotid Cavernous Fistula
IVC Permanent Filter
IVC Temporary Filter
Arterial Thrombolysis
Arterial Thrombolysis
Arterial Thrombolysis
Arterial Thrombolysis
Splenic Artery Embolization
Hepatic Artery Embolization
Hepatic Artery Embolization
Hepatic Artery Aneurysm Embolization
Renal Embolization
Renal Embolization
GI Bleeding – Coil Embolization
GI Bleed – Coil Embolization
GI Bleed – Coil Embolization
GI Bleeding – Coil Embolization
Surgical Bleeding – Coil Embolization
Fibroid Embolization
Prostate Embolization
Nasal Embolization
Nephrostomy – Stone Removal
Nephrostomy - Stone Removal
Neprostomy – No Hyronephrosis – Urine Leak
Nephrostomy – No Hydronephrosis – Urine Leak
Percutaneous Cholecystostomy
Percutaneous Transhepatic Cholangiography (PTHC)
Percutaneous Transhepatic Cholangiography (PTHC) and Biliary Drainage Catheter
Sphincterotomy and Stone Removal
Palliative Wallstent
Percutaneous Gastrostomy
Conversion to Gastrojejunostomy
Lumbar Puncture
Epidural Injection
Nerve Root Injection
Vertebroplasty
Vertebroplasty
Lung Mass Core Biopsy
Lung Nodule Core Biopsy
Abscess Drainage
Hip Injection
Other Procedures

Venous thrombolysis
Paracentesis and thoracentesis
Pleural and peritoneal tunneled drain
Myelogram
Radiofrequency and cryogenic tumor ablation
Hepatic chemoembolization
Renal artery angioplasty or stent placement
Ovarian vein embolization
