OF SAN FRANCISCO

GOLF TOURNAMENT

AT THE

OLYMPIC CLUB
ABOUT THE EVENT

Join us at this active and engaging event, hosted at San Francisco's premier golfing location, The Olympic Club. Golfers will enjoy a day playing on the Lake, Ocean or Cliffs Courses, followed by a wine tasting and cocktail reception, auction, and dinner. During the event, guests will hear from youth who have benefited tremendously from the agency's commitment of resources to ensure their success through high school and beyond. Funds raised at the event will directly support Boys & Girls Clubs of San Francisco's academic programs and college prep services.

This world class golf course offers players spectacular views, challenging courses and a relaxed, luxurious environment. The real estate and financial services industries are typically well-represented at this event and we expect over 240 golfers and an additional 80 reception and dinner guests.

ABOUT US

OUR MISSION
To inspire and enable all young people, especially those from disadvantaged circumstances, to realize their full potential as productive, responsible and caring citizens.

WHAT WE DO
Since 1891, BGCSF has helped generations of at-risk youth in San Francisco learn, grow, and succeed in the safe environments of our Clubhouses and Sites. Today, we operate eight Clubhouses, a 2,000-acre overnight camp in Mendocino County, five School Based Clubs and a community park, serving more than 1,700 youth between the ages of six to 18 every day. Our Clubhouses are located in neighborhoods with the fewest resources, and we are open when kids need us the most—after school, on most school holidays, and all day during the summer.

Our broad spectrum of programs and services are designed to build skills, confidence, and positive relationships with our caring staff. Our most popular programs include academic mentoring, art instruction, career readiness, SAT and college prep, competitive sports, outdoor education, and swim lessons.
