LIGHT WORKS

Welcome to Light Works

A former lighting factory, Light Works, is well situated on Andries Street / 6th Street – which links to the Grayston Road interchange. Located on Sandton's doorstep, it boasts plenty of natural light, high roofs and views of the Sandton skyline.

Light Works offers a wide range of highly affordable, flexible office spaces, storage spaces, studios and workspaces. This high-profile park, which has maintained its industrial features, is located over four floors, has a vehicle ramp to the roof and spacious rooftop parking. The park houses a dynamic community-based environment suited to hungry, upcoming businesses looking for easy access to the bustle of Sandton without having to pay inflated city rates. With easy access, public visibility and loads of onsite parking, it's a quintessential last-mile delivery location for e-commerce and logistics businesses.
