The Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA of 2015), requires that local educational facilities receiving assistance under ESSA provide, upon request, certain student directory information to military recruiters and/or institutions of higher education for high school juniors and seniors. It is encouraged to review the United States Department of Education’s Dear Colleague Letter regarding military provisions, which provides clarification on changes under ESSA.

Tulsa Honor Academy shall provide military recruiters and institutions of higher education the name, address, and telephone listing of each junior and/or senior served by Tulsa Honor Academy (THA) unless the parent, legal guardian, or adult scholar (age 18 or over) has submitted a written request to opt out of such disclosure.

- OPT-OUT: To opt-out, the parent, legal guardian or adult scholar may submit a written request to THA that they want to opt-out of the distribution of their scholar’s information.

- NOTIFICATION TO OPT-OUT: THA will provide notification of the option to make an “opt-out” request during orientation at the beginning of each academic year. Petitions can also be made to rescind the opt-out request at any time and must be done in writing.

Any recruiter who seeks access to high school students at a school or school-sponsored event, must obtain prior permission from THA’s Chief Operations Officer or his/her designee.
