

Your Global Distribution Partner

About us

Shiji Distribution Solutions, a Shiji Group Brand (Shiji Group listed on Shenzhen Stock Exchange, 002153) founded in 2007, is dedicated to its customers in the Hospitality industry.

We ensure our clients are ready and ahead of the curve with our complete portfolio of forward-thinking distribution solutions.

150+
CHANNELS

130+
HOTELS CHAINS

90,000+
HOTEL PROPERTIES

Fully-integrated solutions:

Whether it be PMS, CRS, POS, CMS, IBE or Ticketing, Shiji Distribution Solutions are fully integrated to meet the most complex and comprehensive requirements of our clients and partners.

Our Solutions

Switch

- Connect your hotel to a growing number of distribution channels and boost revenues
- Offer real-time exchange of booking confirmation, and support all connectivity models

WeChat Booking Engine

Promote your brand and attract 1.5+ billion consumers in Greater China markets.

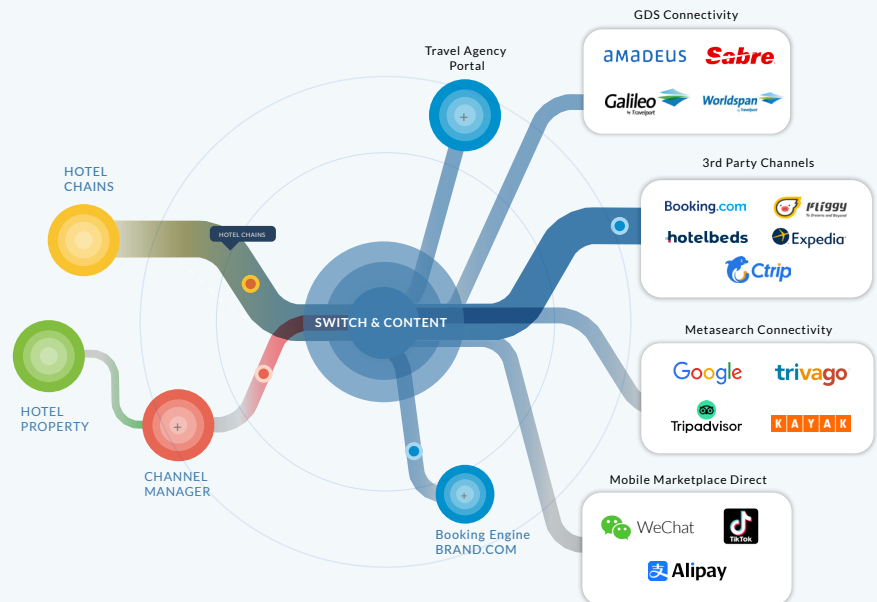

Web Booking Engine (WBE)

Integrated with your brand.com to support:

- Search by hotel and/or city location with configurable availability displays
- Loyalty programs integration, multiple payment methods and promotion codes

Channel Manager

Provide property and channel product configuration, PMS/CRS integration, reservation management and reporting for the Greater China markets.

Global Reach to the World's Diverse Markets

Grow your presence in new global, regional and local markets with our expertise.

Shiji Distribution Solutions will connect you to strong partners, which include GDS, OTAs, social media platforms – such as WeChat, TikTok, travel wholesalers, TMCs, and others.

Global Customer Service

Located in Poland, China, and the USA offering “follow the sun service”, along with our experienced Account Management Team focused on your success strategies.
