

S8

Big choice, compact design

Benefits at a glance

- Ultimate coffee quality thanks to the Aroma^{G3} grinder and Pulse Extraction Process (P.E.P.®)
- 4.3" high-resolution colour touch-screen display with sophisticated operating concept for intuitive navigation
- Redeveloped professional fine foam frother for speciality coffees with the best milk foam quality
- One-Touch function for 15 speciality coffees – from espresso to latte macchiato

With its harmonious clean lines, the stylish S line exudes quality and precision in every way. It combines the best of the compact class with elements of the premium segment, including a hint of the GIGA. The impressive range of specialities and the stunning result in the cup satisfy even the most demanding coffee connoisseurs. The operating concept is based on simplicity and intelligence. The JURA S line creates a new segment in coffee machines: the premium mid-segment.
