TSURU DROP SCONCE

MATERIA

TSURU DROP SCONCE

The Tsuru Drop Sconce, inspired by the dancing silhouette of a solitary red crowned crane, asymmetrically balances an organic shade of iridescent hand-fused glass or natural porcelain with a spare spun brass shade. Light gently reflects against the glazed opaque porcelain face or glows of precious metals on the iridescent glass inner surfaces. When lit, the white glass pieces emanate a warm morning light while the charcoal glass offers a glimpse into constellations of another universe.

LEAD TIME:
Approx 8-10 weeks

LAMPING:
Lamping: 1x t10 4w led (40w incandescent equivalent) dimmable lamp (not included)

120V; 240V available by custom order
