

WARM  
NORDIC

## Rúna

Timeless dining table and desk with a poetic idiom and a neat little drawer. The elegant drawer in the Runá table can be used for keeping place mats, napkins and other decorative items for the table setting as well as office supplies, paper and letters. The table is made of solid wood. Isabel Ahm found inspiration for the table in the secretive ambience and poetry found in the Nordic forests at dusk; indeed, Rúna shares the same enigmatic trait.

**Product name:** Rúna  
**Designer:** Isabel Ahm  
**Design year:** 2014  
**Furniture type:** Dining table, desk
