

ONE HOME, MULTIPLE LIVING EXPERIENCES

OUR DOMAIN

Amsterdam South East

OUR NEIGHBOURHOOD

OurDomain Amsterdam South East is your 21st century urban home.

Enjoy a modern tranquil home with a vibrant atmosphere just one step away.

Our wide offer of facilities & services allows you to build your **unique living experience**: find everything that you need at your doorstep, be part of a **lively community**, gather your friends and family and **relax & recharge** on our cosy terrace or in our many surrounding green areas.

At **OurDomain** you create your own living experience. Whether you are **career-driven**, enjoy **sharing** a flat with a **friend**, are looking forward to start your **family** or just appreciate living in your very own “sanctuary”: this is a place you can call home, a safe haven where you can get the best out of life by choosing how you want to live your day.

This is OurDomain

OurDomain’s strategic location connects you to the multiple possibilities in your surroundings, including an array of **green areas** to complement your outdoor time.

Enjoy the **city park** just outside your building, the perfect place to meet friends, relax, play with your kids and read a book.

Gather your friends and family in **Spoorpark** for a barbecue in summer, practice your favorite outdoor workout or go for a relaxing jog to enjoy the fresh air.

OurDomain features a **Jumbo City supermarket**, bar-restaurant **Miss Scarlett** and a **gym**. There is a centre with various shops at just 300 metres distance.

Great access by private and public **transport**:
5 min Highway A2, A9 and A10
2 min Holendrecht Station.

OUR APARTMENTS

Looking for a modern home that offers you some extra comfort?

1 or 2

How about a place to share with a friend or to live with your family?

max. 2 + 2

2 BEDROOM APARTMENT

Our 1 and 2-bedroom apartments are finished (flooring & walls), have complete bathrooms and kitchens but are unfurnished so you can style them in your own way. Would you like some help with that? We offer 1 and 2-bedroom furniture packages specially designed for your OurDomain apartment. Everything will be delivered, assembled and installed before your arrival.
