About the Company

Seafood Express (P.E.I.) Ltd.

Seafood Express (PEI) Ltd. was established in 1977 as there was a need to transport fresh and frozen fish from Atlantic Canada to the U.S. Since 1986, William Keith took over the ownership and has led the company since. They are a thriving transportation company, extremely safety-minded and one that is leading the charge in environmental issues.

Over the last 35 years, they have had a progressive increase in sales while developing a dedicated customer base. Seafood Express is now a full service Temperature Controlled Transportation Company serving all of North American markets.
