

## COMMERCIAL TIRE TECHNICIAN Dartmouth, NS

Miller Tirecraft Inc. is a leading retailer of tire products and automotive services. We are currently hiring a **Commercial Automotive Tire Technician** for our **Dartmouth, NS** location. We are recognized as one of the top employers in the Atlantic region and we offer **competitive wages, bonuses, group benefits, a retirement savings plan with employer contributions** and opportunities for advancement.

### Objectives

- Install, balance, rotate and repair tires in a safe and efficient manner.
- Provide service to customers with commercial, farm and off-the-road (OTR) vehicles, either in the shop, or by responding to road-side calls using company service truck.
- Provide service in a manner that will help achieve the company's mission and goals, and result in outstanding customer service.
- Participate in rotating on-call schedule for after-hours road service calls.
- Assist with inventory, maintenance and other duties as assigned.

### Requirements

- Experienced Tire Technician with experience working with a wide variety of tires.
- Working knowledge of passenger and light truck tires, specialty tire services and wheels.
- Commercial Vehicle Wheel Service Technician Certificate, or willing to complete.
- Able to work independently with minimal supervision; organizational, problem solving and time management skills.
- Valid Class 5 driver's license and clean abstract.
- Develop and maintain good relationships with team members and customers to provide the best service possible. Positive attitude and eager to learn.
