

Founded over 55 years ago, the Seaboard Transport Group is a privately-held organization comprised of numerous transport brands across Canada and the United States. Seaboard is a recognized leader in the Bulk Truckload Industry and the recipient of numerous awards for Customer Service, Safety and Innovation. The Seaboard Transport Group of Companies has grown by providing excellent service to clients in both the petroleum and chemical industries.

The Seaboard Transport Group of Companies uses continuous improvement ideologies and industry-leading in-truck technology to ensure we consistently deliver reliable and sustainable service. It is our commitment to transportation excellence that has fueled our growth to become one of North America's largest leading bulk carrier.

As a family owned business the members of the Seaboard Transport Group work together as a unit filled with transportation enthusiasts on the road, on the ground and in the office. Join us today as we are currently hiring a **HSE Coordinator** based between **Grand Falls and St. John's Newfoundland.**

The HSE Coordinator will be responsible for monitoring all of the Newfoundland operations from a safety perspective. The successful candidate will be required to travel and be away from home on a regular basis.

- Work directly with operational and HSE management to achieve safety targets
- Coordinate activities with corporate Risk and HSE departments
- Implement relevant safety awareness and incident prevention campaigns
- Assist with driver recruitment activities
- Train and uphold relevant safety policies and procedures
- Ensure compliance is met with federal and provincial regulations regarding health, safety and the environment, including with respect to the transportation of dangerous goods
- Support managers with HSE related activities
- Perform new driver competency and driver delivery audit evaluations
- Responsible for supporting and participating in Emergency Response activities
- Member of emergency response team including after hours on-call responsibilities
- Other duties as required

Job Requirements:

- Minimum of 5 years' experience in the transportation industry.
- Fluent in both English and French (written and oral)
- Previous experience in a Health and Safety capacity.
- Previous experience working with petroleum product handling and delivery considered an asset.
- Class 1 driver's license required.
- Previous experience in a Management position considered an asset.
- Previous experience working in an "on-call" environment considered an asset.
- Experience in training delivery and competency assessments of workers.
- Proven ability to deal productively with internal and external customers.
- Strong communication skills – verbal and written.
- High level of computer literacy.
- Ability to multi-task and prioritize.
- Strong organizational skills.

721 Wilkinson Avenue, Dartmouth, NS B3B 0H4 T: (902) 468-4447 F: (902) 468-2159
