

Owner Operator-Canada/USA

McGrath Logistics is a locally owned and operated transportation and logistics company. Operations are based in Florenceville-Bristol, NB. McGrath Logistics came into existence to support production demands of Mountain View Packers. Since, relationships with many vendors and customers have presented us with many new opportunities.

Our fleet consists of single & multi temp refrigerated trailers. Our regular freight lanes run from NB, NS through the deep south of the US and all points in between.

Growth through our excellent service record is priority. We currently support our customers with company units as well as owner operators. We welcome new drivers and brokers with one of the best compensation packages in the industry.

McGrath Logistics believes that people are the key to success. That's why we're managed by professionals from the trucking industry. We only hire the best drivers & support staff to service our customers.
