

**ALIGNMENT TRUCK & TRANSPORT TECHNICIAN
DARTMOUTH, NS**

Parts for Trucks is a leading distributor of heavy-duty truck and trailer parts, operating across Atlantic Canada and in Ontario. We supply parts, truck-mounted equipment and repair service to customers across all areas of the trucking industry. We have an opening at our Dartmouth service shop for an **Alignment Truck & Transport Technician**.

Responsibilities:

- Alignment of heavy-duty trucks and trailers
- Repair and maintain all makes of heavy-duty trucks, trailers, buses.
- Perform vehicle inspections, test and diagnose mechanical problems. Adjust or replace parts on mechanical, electronic and electrical systems and components, including brakes, steering and lighting.
- Interact with shop Foremen to report on the status of assigned jobs, confirm findings and determine repair or replacement of parts. Complete work orders to describe work performed.
- Follow safety procedures, maintain a clean work area, and care for shop tools and equipment.

Qualifications:

- Licensed Truck & Transport or Trailer Technician preferred, or 3rd / 4th year apprentice.
- Licensed Automotive Technician interested in training on heavy duty trucks will be considered.
- Experience with spring work would be beneficial or working as a foreperson.
- Good manual dexterity, versatility of skills, and capable of performing heavy lifting and heavy work.
- Valid Class 5 driver's license and clean driver's abstract (Class 1 license an asset).
- Safety training appropriate to the trade, along with the ability to learn and apply new processes and technology.
