ABOUT THE DRIVER

Mike is currently working in our Vans division and has been with us since 2017. He was nominated by Operation Supervisor Stephanie Hampton. "Michael took our student with him on one of his loads from Saint John to Dieppe and back. He went out of his way to pick him up and drop him off at the office and spent time explaining the different aspects of being a driver for Sunbury. Our student had a great time and really enjoyed the experience which would not have been possible without Mike being as welcoming and open as he was."
