ABOUT THE DRIVER

On September 23, 2019, Veronica finished her training and orientation with Classic Freight Transport and became part of our family as a Canada / USA Van Driver. Veronica goes above and beyond as a spokesperson for Classic Freight, especially in encouraging women drivers. She participates in our coaching program, which has enabled us to continue to over interns' training and eventually jobs with Classic Freight. Whenever needed, she will come in after hours, on her day off and on the weekends to take the time to train new hires on the use of Geo Tab and Omni systems, on Hours of Service, and help to perfect their pre-trip and post-trip. While on the road, she is also a mentor and will take calls when stopped to help or encourage her teammates. Veronica is an asset to our team; she livens up a conversation, will help anyone, and will take the time to bring new drivers into the profession. She has recently rescued a senior dog, and he travels the roads with her and is enjoying his senior years.

ABOUT THE COMPANY

Classic Freight Transport has been in operation for over 10 years. Superior service in a flat deck, intermodal, dry van, and controlled warehousing and reload yard. We encourage employee development by offering educational seminars, new industry standards and innovative data technology that allows us to track customer products and each driver's continuous improvement. Our competitive compensation program includes group benefits and life and disability insurance and allows employees to advance through mentorship and coaching programs.
