If for any reason you are unable to do so, or you do not receive Our communications, it is your responsibility to contact support@passfolio.us and notify Us immediately.

L. Account Restriction or Closure

You understand that We may, in Our discretion and at any time, prohibit or restrict the trading of Cryptocurrencies in your Account. You further understand that either We or you may close your Account or deactivate or block access to your Account at any time and for any reason. Closing an account will not affect any rights and obligations incurred prior to the date of account closure. If there is a Cryptocurrency balance remaining in your Account, you agree to provide Us with a Cryptocurrency address upon providing Us notice of closure, or within seven calendar days of receiving written notice of closure from Us, so that We can return the remaining Cryptocurrency to you. If you fail to do so, you hereby agree that We are permitted to sell any remaining Cryptocurrency on the open market at the prevailing market price and return the proceeds (less fees, costs, expenses, charges, obligations [including, but not limited to, attorney and court fees or transfer costs of funds or Cryptocurrencies], and damages) to any valid bank account linked to your Account. In the event that the costs of closing your Account exceeds the value in your Account, you will be responsible for reimbursing Us. You will remain liable to Us for all obligations incurred in your Account, pursuant to this Agreement, or otherwise, whether arising before or after closure of your Account or termination of this Agreement.

M. Account Suspension and Investigation

You acknowledge and agree that We have the right to immediately (i) cause your Account or any Affiliated Account, to the extent permitted by any other customer agreement with Us, to be suspended, (ii) cause the funds and assets in your Account and any Affiliated Account to be frozen, and (iii) investigate your Account, until a determination has been made, if (A) We suspect, in Our sole discretion, any such accounts to be in violation of this Agreement, Our AML program, or any applicable laws or regulations; (B) We are required to do so by a government or regulatory authority, court order, or facially valid subpoena; (C) your Account or any Affiliated Account is subject to any pending litigation, investigation, or governmental proceeding; (D) your Account or any Affiliate Account has a negative balance; (E) your ACH deposit was returned to your bank; (F) We believe that there is unusual activity in your Account or any Affiliated Account or suspect that you are using the Services or Account in an

unauthorized or inappropriate manner; or (G) you have not accessed your Account in two (2) or more years. We will provide you with notice of any such suspension of the Account if legally permitted to do so.

15. Custody

Cryptocurrencies in your Account will be stored as part of the Services in one or more, potentially omnibus, cryptocurrency wallets. We shall track the balance and ownership of Cryptocurrencies in your Account, and you understand that you can view the balance of Cryptocurrencies in your Account on the Services. We shall use commercially reasonable efforts to securely store the private keys associated with your Cryptocurrencies.

16. Cryptocurrency Orders

A. Order Types

You understand that the Services allows the following types of Cryptocurrency orders to be placed:

- i. Market Orders: Market orders may be submitted either in USD amounts or in Cryptocurrency amounts. You understand the Services may (A) collar market buy orders by using limit orders priced up to 5% above the last ask price, and (B) may collar market sell orders by using limit orders priced up to 5% below the last bid price. If you place a market order, you agree to pay or receive the prevailing market price at the time your market order is executed, subject to the specific clarification above relating to buy and sell orders. You understand that the execution price may be significantly higher or lower than anticipated at the time you placed the order.
- ii. Limit Orders: To avoid buying a Cryptocurrency at a higher price and possibly exceeding your purchasing power, you understand your option to enter a limit order. A limit order may be “good till cancelled” which means the order remains valid until (A) it is executed or (B) you cancel the order. You also understand that limit orders may not be executed at any particular time, or at all, if there is not sufficient trading at or better than the limit price you specify, and are good until you cancel them, provided, however, that We may in Our sole discretion cancel any limit order that remains unexecuted for at least thirty calendar days.

B. No Margin or Options

The Services do not include Cryptocurrency margin or options trading.

C. Order Placement

You understand that all orders for the purchase of Cryptocurrencies given for your Account will be executed in reliance on your promise that an actual purchase is intended, and that We reserve the right to require full payment in cleared funds prior to the acceptance of any order. You understand that you are not permitted to place a Cryptocurrency buy order with Us unless you have enough funds available in your Account or any Affiliated Account to satisfy your order. You further understand that you are not permitted to place a Cryptocurrency sell order with Us unless you have enough Cryptocurrencies available in your Account or any Affiliated Account to satisfy your order. You agree that it is your responsibility to cancel any order that you do not want to be filled. You understand that you may not be able to cancel an order prior to it filling and that We are not liable to you for the completion of an order after you have submitted a cancellation request.

D. Title

You understand that any order for Cryptocurrency that you place and that We fill will result immediately in your Account being credited the amount of such Cryptocurrency and you obtaining title to such Cryptocurrency. The amount of Cryptocurrency that you purchase will be reflected in the Services. After you obtain title to such Cryptocurrency, you may sell all or a portion of the Cryptocurrency using the Services.

E. Order Handling

You agree and understand that We do not guarantee that any order that you place will be filled. You further agree and understand that We reserve the right to cancel any order or part of an order if such order was placed during a scheduled or unscheduled Services downtime, violates this Agreement, or is non-marketable.

F. Order Execution

You understand that the method, counterparty, broker (if any) and venue (if any) used for the execution of any order that you place shall be determined by Us in Our sole good faith discretion.

G. Price Fluctuations

The price or amount of Cryptocurrency received is likely to differ from the quote provided on entry of an order, especially during periods of high volume, illiquidity, fast movement, or volatility in the marketplace, and you may receive partial executions of an order at different prices. You understand that We are not liable for any price fluctuations. You also understand that price quotes generally are for smaller orders, and that larger orders are relatively more likely to receive executions at prices that vary from the quotes.

H. Erroneous Trades or Orders

You understand that We reserve the right, but have no obligation, to declare a transaction null and void that We consider to be erroneous. We may consider a transaction to be erroneous when its price is substantially inconsistent with the prevailing price at the time of execution (each, an "Erroneous Transaction"). You agree that you are responsible for ensuring that the appropriate price and order type is entered into the Services when you place an order to buy or sell Cryptocurrency with Us. You acknowledge and agree that a simple assertion by you that a mistake was made in entering an order, or that you failed to pay attention to or update an order, shall not be sufficient to establish it as an Erroneous Transaction. You further acknowledge and agree that if We determine that a given transaction is an Erroneous Transaction, (i) We may declare it null and void, in whole and in part, even if you do not agree to cancel or modify it, in which case you will return the Cryptocurrency or fiat currency received in the Erroneous Transaction and (ii) We might not declare it null and void for any reason, including where the counterparty cannot be compelled to return the Cryptocurrency or fiat currency it received in the Erroneous Transaction.

17. Right of Offset; Remedies for Breach

A. Right of Offset

In the event that you fail to provide sufficient funds, have a negative USD balance in your Account or any Affiliated Accounts, have a negative Cryptocurrency balance in your Account, or have an ACH transaction returned to your bank, We, at Our option and without notice to you, (i) may charge a reasonable rate of interest; (ii) may offset any negative Cryptocurrency balances in your Account by buying the necessary amount of Cryptocurrencies with the funds in your PS Account or any Affiliated Account to offset such negative balances; and (iii) otherwise may offset any and all debts owed to US by liquidating or otherwise transferring any assets in your Account or any Affiliated Account. We may also charge any consequential loss to your Account.

You further acknowledge and agree that if We determine, in Our sole discretion, that you have colluded, coordinated, or collaborated with any other Services user to commit a Violation, you and that user will be jointly and severally liable for the whole value of any damages to which We are entitled under this Agreement and any

such amounts may be debited, in Our sole discretion, from your Account, such other user's account, or in each case, any Affiliated Account.

18. Withdrawals

You understand and agree that, in order to send Cryptocurrencies in your Account to an external wallet that you control (such process, a "Withdrawal"), you may be required to provide proof of identity, control over bank accounts associated with your Account or Affiliated Accounts, and control over such wallet, among other information. You represent that you have sole control over any wallet to which you send Cryptocurrencies in connection with such a Withdrawal. You further understand and agree that We may delay any requested Withdrawals if We perceives a risk of fraud or illegal activity or if the Withdrawal otherwise violates Our AML program, and you understand that We may verify Withdrawal wallet addresses with third-party AML service providers. You understand that, once initiated on the network associated with the Cryptocurrency subject to the Withdrawal, Withdrawals will typically be processed at the speed of such network, but that in certain situations, Withdrawals may be delayed in connection with any latency, congestion, disruption, or other delay of such network. You understand that We cannot reverse a Withdrawal that has been broadcast to a Cryptocurrency network. You also understand that We reserve the right to cancel any pending Withdrawal as required by law or in response to a subpoena, court order, or other binding government order.

19. Effect of Attachment or Sequestration of Account
