'Be wise, together we succeed'

12th September 2019

Dear Parents/Guardians

As part of Year 5's 'May The Force Be With You' topic, we are planning a trip to the Winchester Science Centre and Planetarium on Tuesday 5th November 2019.

This trip is really important to aid the children's learning and understanding as they will be learning all about space and the universe throughout their topic.

The cost per child for the trip, including coach travel is **£10.50** per child. We are asking for you to donate this amount towards the cost for your child who will attend this trip. If enough donations are not received by 31st October 2019, we will have no alternative other than to cancel the whole trip. You are able to pay in instalments via the online payment system, however if you have not yet registered, payments can be made via the office for the time being.

We will send more details about the trip nearer the time.

Please complete the reply slip below, and return it to the school office. If you have any questions, or require a code to register for online payments, please do not hesitate to contact us.

Mr Sherman, Mrs Garside & Miss Batchelor
