'Be wise, together we succeed'

Friday 20th September 2019

Dear Parents and Carers,

Welcome back to the Autumn term. In the Summer term of year 4, we will be learning about our new project "All Lives are Worth Living". This topic will allow the children to delve into science classification and learn all about different types of animals, what they need to survive and their position within a food chain.

As an enrichment morning for the children, we have invited in "Zoo lab". This is a company who specialise in bringing in hands on activities where the children can touch and handle real life insects. The children will be able to handle the animals and then create their own beast! This enrichment activity has been specifically chosen for children to gain a deeper understanding of the characteristics of animals.

This experience morning will be on **Tuesday 21st April 2020** for Year 4 children and we kindly ask for a voluntary contribution of £6.00, by 29th February 2020, to help us provide such fantastic and memorable experiences. The event will happen in school and the children will need to bring nothing other than themselves and a curious and enthusiastic attitude!

I appreciate that April 2020 may seem a long while away; however, we prefer to give as much notice as possible when asking for money. Unfortunately we can not afford to subsidise this workshop and will be reviewing the total of contributions received at the end of February 2020. If the cost is not covered, then this workshop will be cancelled.

There is an online payment system in place for payment towards this activity, however if you haven't yet registered please bring the money into school in a labelled envelope and hand in to the office or class teacher. Payments can be made in instalments of £1 per month if this helps.

As always, we thank you for the continued support of the school.

Yours sincerely

Miss E Youngs

Year 4 teacher

Zoo Lab Experience Year 4

Child's name _____ Child's class _____

I enclose the amount of £_____ / have paid online for the Zoo Lab Experience on Friday 14th June 2019. Please pay by 29th February 2020.
