*'Be wise, together we
succeed'*

2nd March 2020

Dear Year 5 Parents,

The Year 5s will be having Relationships and Sex Education lessons next week.

This will involve looking at puberty - the changes that happen in male and female bodies as we grow up. Boys and girls will be split in the second session to discuss specific changes that happen to each sex, but children will learn the basics of puberty in their own classes in the other two sessions.

These lessons have been planned following the statutory objectives for RSE so all children will take part.

Please let your child's teacher know if you have any questions or any messages concerning your child's involvement in relation to these lessons.

Yours sincerely

The Year 5 Team
