RE: Free School Meal Picnic Boxes

Wednesday 3rd June 2020

Dear Parents / Guardians,

I am writing to you to let you know that, as the school has begun to reopen and because we have a catering service available to us (HC3S), the Government have requested that we stop using the Free School Meal vouchers.

I understand that this is another change, and I apologise for this, however it is important that we follow guidance from the Government. Therefore, if you have opted for the vouchers, the final week that you will receive these will be the week beginning 8th June 2020.

From the 15th June we will only be providing children, who are eligible for Free School Meals, one of the following per week:

- a) Free School meals for children in school or;
- b) Weekly picnic boxes for children who are not attending school.

If you have been receiving the vouchers and wish to receive a weekly picnic box then please let us know by email by Friday 5th June 2020. We will then confirm a collection time and point with you, via text. If we don't hear from you, we will be unable to order a picnic box for you.

If you have already been receiving weekly picnic boxes then these will continue, you do need to do anything further. We may be in touch if your collection time needs to change.

Thank you, as always, for your support and understanding.

Yours sincerely

Mrs K Reading
