*'Be wise, together we
succeed'*

Monday 7th September 2020

Dear Parents and Carers,

Welcome back to the Autumn Term, we hope your families have had a good summer. We are very much looking forward to working with you and your children as they start their Merton Junior journey.

This term our project is "From Stones to Steel". This project will allow the children to delve into the history books and learn all about the Stone age, Bronze age and the Iron age.

As an enrichment day for the children, we have invited in "The Iron Age Experience". This is a company who specialise in bringing the Iron Age to life for children by creating re-enactments of battles through "Iron Age Warrior Training", creating their own shields and many other exciting activities.

Matt Russell who runs the workshops has been involved in Iron Age education enrichment for over twenty years and you can visit his website on: www.experiencetheironage.co.uk.

This experience day will be on Monday 19th October and we kindly ask for a voluntary contribution of £6.00 to help us to provide such a fantastic and memorable experience. The event will happen in school and the children will need to bring nothing other than themselves and a sensible pair of shoes as we will hopefully be outside for part of the day using the field.

Events like this make school a really memorable place to be and provide the children with valuable experiences that they will never forget. This really brings the learning to life.

Payments can be made as a one off amount or as instalments in whatever amount suits you. (i.e £1 per week over 6 weeks). We request that payments are made via our online payment system unless you have an agreement with the office to pay by cash. If you require a letter in order to register for online payments please contact the school office.

As always, we thank you for the continued support of the school.

Yours sincerely

The Year 3 Team

Iron Age Experience Year 3
