

Google Classroom access for Pupils

Open a web browser and enter **classroom.google.com** into the address bar.

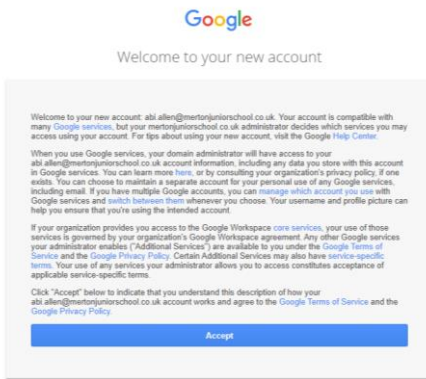

The image shows the Google sign-in page. At the top is the Google logo. Below it, the text reads "Sign in" and "Use your Google Account". There is a text input field labeled "Email or phone" containing the email address "test.pupil@mertonjuniorschool.co.uk". Below the input field are links for "Forgot email?", "Not your computer? Use Guest mode to sign in privately.", and "Learn more". At the bottom left is a link for "Create account", and at the bottom right is a blue "Next" button. At the very bottom, there are links for "English (United States)", "Help", "Privacy", and "Terms".

Enter the log in name.

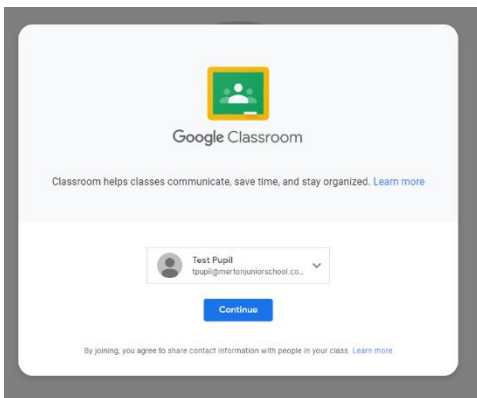

All pupils are firstname.surname@mertonjuniorschool.co.uk

Password: Merton2020!

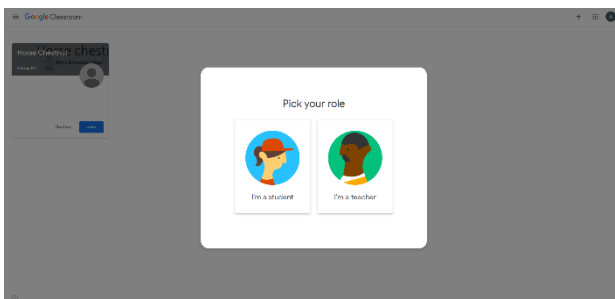

The image shows the "Welcome to your new account" page. It features the Google logo at the top. Below the logo, there is a large block of text explaining the account creation process, including information about Google services, domain administrator access, and Google Workspace core services. At the bottom of this text block is a blue "Accept" button.

Click to accept the terms of the new account.

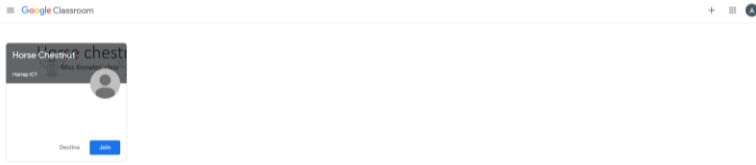

The image shows the Google Classroom sign-up page. At the top is the Google Classroom logo. Below it, the text reads "Classroom helps classes communicate, save time, and stay organized. Learn more". There is a dropdown menu showing "Test Pupil" with the email address "tpupil@mertonjuniorschool.co.uk" below it. Below the dropdown menu is a blue "Continue" button. At the bottom, there is a small link for "Learn more" regarding sharing contact information.

Click continue

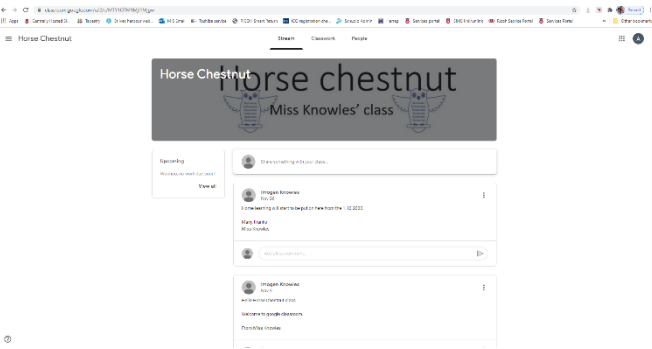

The image shows the "Pick your role" page. It features two circular icons with text below them: "I'm a student" (with a student icon) and "I'm a teacher" (with a teacher icon). The "I'm a student" option is selected.

Select that you are a pupil.

Click to join your class.

Browse the contents of you class.
