Due Jan 8

Hello!

For those beginning to use Google Classroom, this powerpoint will be ready for the children to view on their device. They can then create documents to show their work in the assignment section and click 'mark as done' when they have completed all remote learning for the day. Any questions, please email year4@merton-jun.hants.sch.uk and we will endeavour to reply to you as soon as possible.

Miss Batchelor :)

You are also able to upload a file (if completing the work on paper for example) and send a photograph of this over to us.

Once you have finished you can click mark as done and this will notify the class teacher for further comments.

If you need an extra bit of advice you can: either message using this text box; send an email to the year group account; comment on the original post.
