'Be wise, together we succeed'

19th April 2021

Dear Parents / Guardians,

Year 5 – Virtual Reality Workshops

It was lovely to see all of the smiley faces this morning. We hope you all had a lovely break.

To help us with our topic 'Jungle Fever' we have arranged for a company, who specialize in virtual reality workshops, to visit Year 5 for the day on Wednesday 19th May 2021. They will be bringing to life The Rainforest, and later in the day we will be taking part in a virtual reality quiz 'Around The World'.

We are asking for a donation of £6.50 from each child to help pay for the cost of arranging this workshop. We apologise that the request for payment is short notice, however we have been waiting to see if we could go ahead with this workshop due to Covid restrictions. Please use the online facility to make your payment. If you require a code to enable you to set up online payments, please contact the office who will be happy to arrange this for you.

If your child suffers with seizures or epilepsy, it is recommended that your child does not use the 3D headsets. It can be arranged for the 3D effect to be switched off. Please complete the permission slip below in order to make us aware of this requirement, so we can make your child can view it safely.

Yours sincerely,

Year 5 Team.
