'Be wise, together we succeed'

Dear Parents / Guardians

Parent Portal and the Arbor App

We are pleased to announce that we are ready to launch a new portal for parents to use, including an App which can be downloaded to your devices for free.

Arbor is the school's new 'management information system' which holds information regarding pupils attending Merton Junior School, and contact details for their parents or guardians. You will be able to view and adjust the details held for your child and yourself. Adjustments will be subject to approval by the Admin team so please do not worry if they do not appear immediately.

We can send emails and messages to you via the app. You can send messages to us too (for free). You can set your own notification settings.

We will eventually be using the Arbor App for trip and club bookings and payments, dinner money payments and Parents evening / consultation booking. We will let you know as and when these come into use.

We will be sending out invites via email. These are likely to go into your junk/clutter box. Please keep an eye out for it.

If you have any questions please do not hesitate to ask the office.

Yours sincerely

The Admin Team
