To whom it may concern:

This letter is a follow up to my phone call with customer service. As a (name of cable company) customer, I would like to request that you add The Miracle Channel to my selection of channels that I can watch.

For me as a Christian, I feel it is very important, given the opportunity, to provide for my family wholesome, family-orientated Christian programming for our continued spiritual growth.

I know through others that have satellite systems, that the programming I desire to watch is on The Miracle Channel. I have been a (name of cable company) customer for (# of years) and I would like to remain a customer of yours. Your decision to carry or not to carry The Miracle Channel will be the key in my decision.

Thank you for taking the time to read my letter, once again I would ask that you add The Miracle Channel as soon as you can.

Sincerely,
